

Alive (Acoustic Version)

Jennifer Brown

Have you seen a mother kiss her son goodbye
Have you seen a dark cloud fight a silver line
I have seen a loved one tell a million lies
KarmaÂ«s like a boomerang whirling deep insideI may not know a thing about you
You may not know a thing about me
But if weÂ«re free, then.WeÂ're alive
Take a breath because
WeÂ're alive
Take a breath
We're aliveI may speak a language you donÂ«t understand
But what words do you need to take somebodyÂ«s hand
Love is like a blanket everyone deserves
Drape it on your shoulders and let your voice be heardYou may not know a thing about me
I may not know a thing about you
But if thereÂ«s a me and youWeÂ're alive
Take a breath becauseAlive
Take a breath
WeÂ're aliveTake a breath, take a deep breath
Take a breath, take a deep breath
Take a breath, take a deep breath
Take a breath, take a deep breathAnd we may wear different clothes
And pray to gods in different robes
But if weÂ«re prayingWeÂ're alive
Take a breath because
WeÂ're alive
Take a breath
WeÂ're alive
