We All Move On

The Samples

I believe in a better land,
A place of peace in the golden sand.
The windy streets in the summertime,
A cloudless day when I feel fine.We all move on.
We all move on.Leave the past with a lonely girl,
Who begs for love from an empty world.
I've learned my lessons,
And I've learned them well.
I drank the water from the wishing well.We all move on.
We all move on.My first kiss at sweet sixteen.
The prettiest eyes I've ever seen.
We used to sit around and laugh all day,
And dream of all the things we'll be someday.We all move on.
We all move on.
