The Border

Sara Haze

Gotta get away from THE BORDER
There's too many memories here
And all the things that I used to love
Became everything I fearAnd I wanna recognize
But I just don't think it's you
Cuz every time I look into your eyes
I swear I can see right throughSo I run and I run
Just to find I'm standing still
Cuz I'm trying to move
Without breaking any shells
And I'm frozen in this state
Trying not to cross the line
But I guess it's just a matter of time
Till I cross THE BORDER lineThe water tastes like poison
The air's so hard to breathe
And the skin I'm in is starting to drive me crazy
I gotta get away from meSo I run and I run
Just to find I'm standing still
Cuz I'm trying to move
Without breaking any shells
And I'm frozen in this state
Trying not to cross the line
But I guess it's just a matter of timeTime till I can finally breathe
Go wherever my heart leads
Get to know myself again
Learn to be my own best friend
Left this weight up off my shoulders
And finally be freeBut I run and I run
Just to find I'm standing still
Cuz I'm trying to move
Without breaking any shells
And I'm frozen in this state
Trying not to cross the lineI run and I run
Just to find I'm standing still
Cuz I'm trying to move
Without breaking any shells
And I'm frozen in this state
Trying not to cross the line
But I guess it's just a matter of time

It's a matter of time
Until I cross THE BORDER line
It's a matter of time
