

# Guilt

## Terry Davies & BBC Philharmonic Orchestra

When I go  
You will be someone new  
You will see the stars come out  
You won't feel the pain I've caused at all

'Cause someday I must face up  
Someday you'll be better off on your own  
So just let me go

Under the bridge  
I'll carry this guilt  
No more

So under the waves  
And out of your way  
I'll go

When I'm gone  
You will find someone new  
And he won't lie or torture you  
And you won't cry for what you've lost at all

And someday  
When you wake up happy  
You will thank the Lord that I'm gone  
So darling be strong

I'm under the bridge  
I'll bury this guilt  
Forever more

So under the waves  
And out of your way  
I'll go
