

God Moves In a Windstorm

Blue Highway

God sent Jonah to the Ninevah land,
to preach the gospel to the wicked men
Tell them to repent of their wicked ways
or Iâ€™ll overthrow the city in forty days

God moves in a windstorm
He rode in a wind storm
And he troubled everybody in their mind

Jonah went down to the seashore,
to make up his mind which way to go
He boarded the ship and paid his fare
and God got angry with Jonah down there

Jonah went down from the side of man
and he called on Jesus to be his friend,
Disobeyed God and he had to pray
The Lord sent a storm on the water that day

They cast poor Jonah overboard,
God sent a whale and swallowed him whole,
He made his way to the Ninevah land
And they poured poor Jonah on a bed of sand

Jonah rose up from the sand,
and went on walking to the Ninevah land
He preached the gospel at his command,
Repent, repent you wicked men
