2AM (ft. Sage The Gemini)

Adrian Marcel

(It's 2 AM
I I I want it girl
I I I want it)
Said it's 2 AM
I I I want it girl
Right now!Now I'm turnt up in this bitch
Drunk off that liquor
I can't trust these hoes
But you look so different girl
You... you got yo girls, I got my niggas
So you... should tell yo girls to come fuck wit us
(Pre-)
Come live in the fast lane
Bottles every night, whatever you like
Cus I do things
And you know my niggas keep that thing on the side
Cus a nigga wanna act strange
But this ain't about me, girl it's all about you
And I ain't just runnin games
I ain't runnin gamesSaid it's 2 AM
I I I want it girl
I I I want this girl
I know you're horny girl
I I I want it girl
I want it girl
Said it's 2 AM
I I I want it girl
Neck frozen wrist too
Dey aint never seen a California igloo
my dude on the magazine for the issue you better off tryna kick it like ju jitzu
it's 2 am and im tryna get in there say x marks the spot but yo x not in here

I know your horny girl
I I I want it girl
I want it girl

said its 2 am
I I I want this girlMy niggas pull off in this whip
Full speed to my after
I always take a couple more sips
Girl you know I'll be good for hours
You, you say it's real and I can feel on it ah
You know the deal, we in the moment(Pre-)
Come live in the fast lane
Bottles every night, whatever you like
Cus I do things
And you know my niggas keep that thing on the side
Cus a nigga wanna act strange
But this ain't about me, girl it's all about you
And I ain't just runnin games
I ain't runnin gamesSaid it's 2 AM
I I I want it girl
I I I want this girl
I know you're horny girl
I I I want it girl
I want it girl
Said it's 2 AM
I I I want it girl
