

# War of Words

## Fight

Congress shall make no law  
Respecting an establishment of religion  
Or prohibiting the free exercise thereof  
Or abridging the freedom of speech or of the press  
Or of the right of the people peacefully to assemble  
And to petition the government for a re-dress of grievances  
Revoke this verbal mental muzzle  
Protect the freedom of the mind  
Speak out against the prejudicial  
Extinguish ignorance by mouth  
War of words, war of words  
Disarm the bigotry with odd talk  
Incite the darkness from the veil  
React to rhetoric conflict  
Object with anger at the law  
War of words, war of words  
War of words, war of words  
Congress shall make no law  
Respecting an establishment of religion  
Or prohibiting the free exercise thereof  
Or abridging the freedom of speech or of the press  
Or of the right of the people peacefully to assemble  
And to petition the government for a re-dress of grievances  
Denied opinion come from silence  
Remove the pressure of the tongue  
Assault by speech toward the discord  
Attack the fundamental creed  
War of words, war of words  
War of words, war of words  
A war of words, a war of words  
A war of words, a war
