Miami Sound Machine

Make pretend like in the movies
And do another dig in the dark, c'mon
(Please baby, please baby, please)Maybe you can be like Rambo
And give me a tank o' lines
(Squeeze baby, squeeze baby, squeeze)Gimme, gimme, gimme, gimme, gimme, gimme
Lights, camera, action, quiet on the set, oh
And I give you a performance you won't forgetMake pretend like in the movies
I'll be Scarlet and you'll be Clark, do it
(Please baby, please baby, please)
You can be my macho, macho, so don't be afraid to start
(Please baby, please baby, please)Gimme, gimme, gimme, gimme, gimme, gimme
Gimme, gimme, gimme, gimme, gimme, gimme
Lights, camera, action
Gimme, gimme, gimme, gimme, gimme, gimmeMake pretend like in the movies
And I'll be your Hollywood star
Direct me, do anything to me
Come on, we'll make up some lines(Please baby, please baby, please)
Make pretend like in the movies
(Please baby, please baby, please)
Let's do another dig in the dark(Squeeze baby, squeeze baby, squeeze)
(Please baby, please baby, please)
Oh, do anything to me
(Please baby, please baby, please)Gimme, gimme, gimme, gimme
(Please baby, please baby, please)
Don't be afraid to startSqueeze baby, squeeze baby, squeeze
Squeeze baby, squeeze baby, squeeze
Squeeze baby, squeeze baby, squeeze
