Brake

Duncan Powell

[Verse]
No light to guide my way
I'm goin' blind down the hill
Nothing that no one can say
I'm gonna find my will to live
No light to guide my way
I'm goin' blind down the hill
There's nothing that no one can say
I'm gonna find my will to live

[Hook]
No, I won't brake
No, I won't brake

[Verse]
No light to guide my way
I'm goin' blind down the hill
There's nothing that no one can say
I'm gonna find my will to live

[Hook]
No, I won't brake
