

I Bet (feat. T.I.)

Ciara

I bet you start loving me
Soon as I start loving someone else
Somebody better than you
I bet you start needing me
Soon as you see me with someone else
Somebody other than you
And I know that it hurts
You know that it hurts your pride
But you thought the grass was greener on the other side
I bet you start loving me
Soon as I start loving someone else
Somebody better than you So I'm s'posed to believe that it's Feeling's calling' ova?
I'm s'posed to believe that they're asking' you if you're home
I went bowlin' yesterday, by me
Can't get that ova me, not me
I love you but I won't be a fool for you
That is just something' that I wouldn't do, babe
I mean I'mma stay if you could tell the truth
But you can't, no matter how much time I ask Is that your chick over there giving' me the ugly stare
The one with the silicone ass, and the brazilian hair
You ain't gon' respect me no no no till I'm not there
See, I got you comfortable, now you ain't really scared I bet you start loving me
Soon as I start loving someone else
Somebody better than you
I bet you start needing me
Soon as you see me with someone else
Somebody other than you
And I know that it hurts
You know that it hurts your pride
But you thought the grass was greener on the other side
I bet you start loving me
As soon as I start loving someone else
Somebody better than you So you bought me a car
He can buy that too
I can take care of myself
And I can find someone to do it too, baby
You actin' like you upgraded me
I upgraded you
You and me fashion week at Paris

I put you on to that new
But you took advantage of me
Took advantage of you, took advantage
I cannot understand it, I cannot understand it
I cannot understand it
I thought you'd always be there for me, yeah yeah
But if you ask me if I knew betta now
Hell yeah So you can keep that chick ova there
Giving' me the ugly stare
The one with the silicone ass, and the brazilian hair
You ain't gon' respect me no no no till I ain't there
See, I got you comfortable, now you ain't really scared I bet you start loving me
Soon as I start loving someone else
Somebody better than you
I bet you start needing me
Soon as you see me with someone else
Somebody other than you
And I know that it hurts
You know that it hurts your pride
But you thought the grass was greener on the other side
I bet you start loving me
Soon as I start loving someone else
Somebody better than you Baby, tell me what's it, gonna take to keep it
All the way one hundred
You won't get it till I'm gonna away (away) I bet you start loving me
Soon as I start loving someone else
Somebody better than you
I bet you start needing me
Soon as you see me with someone else
Somebody other than you
And I know that it hurts
You know that it hurts your pride
But you thought the grass was greener on the other side
I bet you start loving me
Soon as I start loving someone else
Somebody better than you I hate, hate that I'm singing this song
Singing this song
'Cause I love you (I love you)
Right now it's killing me
'Cause now I have to find someone else
When all I wanted was you
