Dig

Nothing

You can throw a sheet
Gently over me
I can make believe I'm a ghost
Lay here and pretend
The rain on the roof
Is dirt pouring on my casket
Scratched your name into me
So i can not forget
Dug a hole inside me
Stayed till the end
You can throw a sheet
Gently over me
I can make believe I'm a ghost
I will not pretend
I am happy
That you are finally
Happy
