Teardrops on Page Forty-Three

Jeannie C. Riley

It's so still I can't hear the pages that fall
As I look through my yearbook again
And I know I'll cry at the picture I see
Teardrops on page forty-three.There's a picture of us on page forty-three
Together with you I wanted to be
In the back of my book you wrote goodbye to me
That's why my teardrops are on page forty-three.I'd like to go back through the pages of time
And hold you again in my arms
In the picture we look so happy holding hands
Why you loved her I don't understand.
There's a picture of us on page forty-three
Together with you I wanted to be
In the back of my book you wrote goodbye to me
That's why my teardrops are on page forty-three...
