

Where Would We Be Now

Good Charlotte

I smile, you laugh, I look away
I sigh, you ask me why, I say,
It's ok and I am just feeling down
Your hand on mine I hear the words...
If only love had found us first, our lives they would be different

So I stand and wait
I am just a man

Where would we be now baby, if we found each other first
Where would we be now baby

And now I must confess
That I am a sinking ship
I'm anchored by the weight of my heart cause its filled with these feelings
I keep my true thoughts locked beside my hearts black box
And It wont be found, and it won't survive through the smoke or the wreckage

So I crash and burn
I got a lot of things to learn

Where would we be now baby, if we found each other first
What would you do now darling, if I said these simple words
I'll wait, I'll wait...As long as you want

But where would we be now baby

I'll wait
I'll wait

Where would we be now baby, if we found each other first
What would you do now darling, if I said these simple words
I'll wait, I'll wait...As long as you want.

But where would we be now baby

I'll wait
I'll wait

I'll wait

I'll wait
