Lost Ones

Mehida

It's funny how money change a situation
Miscommunication lead the complication
My emancipation don't fit your equation
I was on the humble, you on every station
Some wan' play young Lauryn like she dumb
But remember not a game new under the sun
Everything you did has already been done
I know all the tricks from bricks to Kingston
My ting done made your kingdom wan' run
Now understand L. Boogie's non violent
But if a thing test me, run for mi gun
Can't take a threat to mi newborn son
L's been this way since creation
A groupie call you fall from temptation
Now you wanna ball over separation
Tarnish my image in your conversation
Who you gon' scrimmage like you the champion
You might win some but you just lost one
You might win some but you just lost one
You might win some but you just lost one
You might win some but you just lost one
You might win some but you just lost one
Now, now how come your talk turn cold
Gained the whole world for the price of your soul
Tryin' to grab hold of what you can't control
Now you're all floss, what a sight to behold
Wisdom is better than silver and gold
I was hopeless now I'm on hope road
Every man want to act like he's exempt
When him need to get down on his knees and repent
Can't slick talk on the day of judgement
Your movement's similar to a serpent
Tried to play straight, how your whole style bent?
Consequence is no coincidence
Hypocrites always want to play innocent
Always want to take it to the full out extent
Always want to make it seem like good intent
Never want to face it when it's time for punishment
I know that you don't wanna hear my opinion

But there come many paths and you must choose one
And if you don't change then the rain soon come
See you might win some but you just lost one
You might win some but you just lost one
You might win some but you just lost one
You might win some but you just lost one
You might win some but you just lost one
You might win some but you really lost one
You just lost one, it's so silly how come
When it's all done did you really gain from
What you done done, it's so silly how come
You just lost one
Now don't you understand man universal law
What you throw out comes back to you, star
Never underestimate those who you scar
Cause karma, karma, karma comes back to you hard
You can't hold God's people back that long
The chain of Shatan wasn't made that strong
Tryin' to pretend like your word is your bond
But until you do right, all you do will go wrong
Now some might mistake this for just a simple song
And some don't know what they have 'til it's gone
Now even when you're gone you can still be reborn
And from the night can arrive the sweet dawn
Now, some might listen and some might shun
And some may think that they've reached perfection
If you look closely you'll see what you've become
'Cause you might win some but you just lost one
You might win some but you just lost one
You might win some but you just lost one
You might win some but you just lost one
You might win some but you just lost one
You might win some but you really lost one
You just lost one, it's so silly how come
When it's all done did you really gain from
What you done done, it so silly how come
You might win some but you really lost one
You just lost one, it's so silly how come
When it's all done did you really gain from
What you done done, it so silly how come
You just lost one
You just lost one
You just lost one
