

# Bad Night At The Whiskey

## The Byrds

Pushed me off the street today  
The light in my eyes gets in the way  
Of the darkness you pushed me in  
You say that it's a sin we're hanging around  
You told me not to sing today  
You say my music gets in the way  
'Cause it walks on in  
Just as you begin bringing my soul brothers down  
And although you're smiling  
Your hate will not cease  
So just face yourself babe  
And leave my soul in peace  
Well, I'll stay out of your way  
If you keep out of mine  
If I only could let the evil go  
Oh, you know we'll both go down in fire
