Fake Love

Austin Awake

(CHORUS)

Yeah, yeah
I've been down so long, they look up to me,
they look up to me

I got fake people showinâ€˜ fake love to me,
straight up to my face, straight up to my face.
I've been down so long, they look up to me,
they look up to me
I got fake people showinâ€˜ fake love to me,
straight up to my face, straight up to my face.

(VERSE)

Yeah, something they write when we're talkinâ€˜,
girl i can see it in your eyes, girl i can read between the lines,
you don't feel the same on both sides.
I don't care bout who you with,
you're mine that's true shit.
Your man so new to it, he don't know what to do to it.
I treat you right, i stay up late, i make a bed,
I break a leg, I go all for you.
Remember I did everything you ask for,
I had you out the country with no passport,
late nights snuck through the back door.

Girl you couldn't name i wouldn't go for ya,
I was head over toes for ya,
in the morning i had toast for ya,
bath tub with the soap for ya.
Girl that's true story like the opposite of fiction, yeah
I came home just to show you what ya missinâ€˜, yeah.

(CHORUS)

I've been down so long, they look up to me,
they look up to me
I got fake people showinâ€˜ fake love to me,
straight up to my face, straight up to my face.

I've been down so long, they look up to me,
they look up to me
I got fake people showinâ€˜ fake love to me,
straight up to my face, straight up to my face.

(VERSE)

I really doubt we go all the way,
I don't really care what your friends say.
Oh man i miss 10th grade,
those days were the best days.
I had a crush on tidie,
I never got no play no way.
Now I'm doinâ€˜ okay, okay
Did it my own way, own way
Oh, yeah yeah

Yeah small town boy out in the call with the bank now.
Everyday I wake up, 10k in the PayPal.
Those were the days that I couldn't eat take out.
Those were the days I would go up to your lake house.
Those were the days, yeah
They look up to me,
I got fake people showinâ€˜ fake love to me,
straight up to my face, yeah
straight up to my face.
You know who you are, yeah.
