Ann Disaster (live)

Ben Kweller

Ann Disaster make it better
Make this whole thing come together
With your false alarmin'I know what you want
You want a piece of me
I know what you want
You want a piece of meI know what you want
You want a piece of me
I know what you want
You want a piece of me, yeahSo we're waiting and not frustrating
You made a comeback and now you're ready
To attack with our eyes wide openI know what you want
You want a piece of me
I know what you want
You want a piece of meI know what you want
You want a piece of me
I know what you want
You want a piece of me, yeahYou can tell a thousand lies
But you can't hide
Or surprise your futureI know what you want
You want a piece of me
I know what you want
You want a piece of meOh yeah, I know what you want
You want a piece of me
I know what you want
You want a piece of meI know what you want
You want a piece of me
I know what you want
You want a piece of meOh yeah, know what you want
You want a piece of me
I know what you want
You want a piece of me, yeahAnn Disaster
