

Walls

Kings of Leon

I can get there on my own
You can leave me here alone
I'm just tryin' to do what's right
Oh, a man ain't a man unless he's fought the fight I could never point you out
Waste of space in a faceless crowd
Tell me what I have to say
If you know what's right then you'll walk away When the walls come down
When the walls come down
When the walls come down
When the walls come down One by one I'm seein' them fall
Some just don't show up at all
I'm just here to fight the fire
Oh, a man ain't a man unless he has desire And the walls come down
And the walls come down
When the walls come down
When the walls come down You tore out my heart
You threw it away
A Western girl with Eastern eyes
Took a wrong turn and found surprise awaits
Now there's nothing in the way
In the way
In the way
In the way When the walls come down
When the walls come down
When the walls come down
When the walls come down You tore out my heart
You threw it away
Western girl with Eastern eyes
Took a wrong turn and found surprise awaits
Now there's nothing in the way
In the way
In the way
In the way
