

# It's All About Me

## MÃ½a

Yeah, it's all about you  
Yeah, it's all about you, yeah  
Yeah, it's all about you  
Yeah, it's all about you, yeah  
Baby, I cook your dinner, I wash your clothes  
Baby, hell no that's not the way it goes  
It's all about me tonight, yeah, I ain't stop lovin' you  
'Cause you're still my boo, you're still my boo  
But you gotta see tonight is all about me, me, me, me, me  
    Tonight is all about me, me, me, me, me  
    Forget about you, you, you, you, you  
    So what you gonna do, do, do, do, do?  
    Are you gonna get it up, get it up?  
    Me, me, me, me  
    Forget about you, you, you, you, you  
    So what you gonna do, do, do, do, do?  
    Are you gonna get it up, get it up?  
    Up jumps my butt, nigga what? Nigga what?  
    You know I caught, yo, eyes lookin' at my thighs  
    Now swing my body right to left, left to right  
    You know this is, ish tight, now just look at my body, body  
    And just hold me like a man should, baby, you gotta see  
        Tonight, baby, it's all about me  
        Tonight is all about me, me, me, me, me  
        Forget about you, you, you, you, you  
        So what you gonna do, do, do, do, do?  
        Are you gonna get it up, get it up?  
        Me, me, me, me, me  
        Forget about you, you, you, you, you  
        So what you gonna do, do, do, do, do?  
        Are you gonna get it up, get it up?  
        You know that I wanna love you for life  
        So let's make tonight, let's make tonight  
            All night, my arms are open wide  
            So let me come inside, yeah, yeah, baby  
                Is that what you want from me?  
                'Cause that's what I need  
            Tonight is all about me, me, me, me, me  
                Forget about you, you, you, you, you

So what you gonna do, do, do, do, do?  
Are you gonna get it up, get it up?  
Me, me, me, me, me  
Forget about you, you, you, you, you  
So what you gonna do, do, do, do, do?  
Are you gonna get it up, get it up?  
Tonight is all about me, me, me, me, me  
Forget about you, you, you, you, you  
So what you gonna do, do, do, do, do?  
Are you gonna get it up, get it up?  
Me, me, me, me, me  
Forget about you, you, you, you, you  
So what you gonna do, do, do, do, do?  
Are you gonna get it up, get it up?
