

Some Other Guy (Stereo Version)

The Searchers

Some other guy now, has taken my love away from me, oh, now
Some other guy, now, has taken away my sweet, sweet love, oh, now
Some other guy now, I just don't wanna hold my vow, alright
I'm the lonely one, as lonely as I can be all right

Some other guy, hey now, is sippin' up my honey like a yellow dog, oh, now
Some other guy, yeah now, has taken their love just like a hog, oh, now
Some other guy, yeah now, has taken my love away from me, oh, now
I'm the lonely one, as lonely as I can be all right

Ow

Some other guy is makin' me very, very mad, oh, now
Some other guy, hey now, has taken the padlock off my pad, oh, now
Some other guy, hey now, has taken the best girl I ever had, oh, now
I'm the lonely one, as lonely as I can be all right

Oh oh oh
