# Special Kind of Crazy

## Fit for Rivals

I don't know
If we have souls
I sit around and contemplate
It comes and goes and then I know that
I want inside your broken heart
Such a damaged broken heart
I want you near
I want to be inside ofYou
You're the only one that I
Could ever fall in love with
You're a special kind of crazy
You're a special kind of crazyMake a sense, you and I
Sacrifice, for you I'd die
Anything at any price
I'll follow (take my hand)You
You're the only one that I
Could ever fall in love with
You're a special kind of crazy
You're a special kind of crazySo tell me now
Do you feel the same
'Cause I get timbers down my spine when you
Look at me that way
Pull me apart
Then back to together
You and me babe
ForeverI don't know
If we have souls
I sit around and contemplate
It comes and goes and then I knowYou
You're the only one that I
Could ever fall in love with
You're a special kind of crazy
You're a special kind of crazyYou
Won't You
Won't You
Won't You
