

# Hallelujah

Jesse Jenkins

Your grace delivered me  
From arrows meant for me  
You see the secret tears i cry  
Your comfort dry my eyes  
Your comfort dries my eyes  
chorus  
hallelujah  
hallelujah  
hallelujah praise the lord  
When no one understands me  
(Your) consuming presence hide me  
When mortal they turn on me  
Your blood will covers me  
chorus  
hallelujah  
hallelujah  
hallelujah praise the lord.  
Recession and depression  
Can't stand before my blessing  
For you always know my every need  
Always provide for me.  
chorus  
hallelujah  
hallelujah, hallelujah praise the lord.
