

# She Put the Hurt On Me (Mono) [Remastered]

## Otis Redding

Oh she put the hurt on me, y'all  
Yes she did  
She put the hurt on me, y'all  
Oh she put the hurt on me  
My baby socked it to me  
Put the hurt on me, y'all Oh she put the hurt on me  
Yes she did  
She put the hurt on me, children  
Oh she put the hurt on me, huh  
My baby socked it to me  
She put the hurt on me, now Wait a minute  
I gotta tell you about it  
She give me twenty two minutes of love  
I had to think about it  
She give me forty minutes  
I had to talk about it  
She give me sixty minutes  
I can't do without it  
She give me one hour of love, y'all  
She give me that yeah Oh she put the hurt on me  
Yes she did  
She put the hurt on me, y'all, now  
Oh she put the hurt on me, huh  
My baby did it to me  
Put the hurt on me, y'all Wait a minute  
I gotta tell you about it  
She give me twenty two minutes of love  
I had to think about it  
She give me forty minutes  
I had to talk about it  
She give me sixty minutes  
I can't do without it  
She give me one hour of love, y'all  
She give me that yeah I couldn't do without it  
She give me one hour of love  
Then knocked me on the floor y'all) Oh she put the hurt on me  
Yes she did
