

Anti Hero (Radio Edit)

Marlon Roudette

I am the first to
Recognize the virtue
In everything you are
In everything you try to be You could risk it all
Fall in love with an outlaw
Can you play your part
In this tragedy? Face it you need to know
Face it running low
Ain't no good to you
I'm your anti hero
The chances that I've blown
The love I could have known
Can't do this to you As we go
To this brave new world
Ain't no good to you
I'm your anti hero
As we go
To this brave new world
Can't do this to you You were the first to
Recognize and refer to
Everything I am
not just who I'm trying to be
Time is a critical
And I can leave you on no more
If I play a role
Then we bound to fall Face it you need to know
Face it running low
Ain't no good to you
I'm your anti hero
The chances that I've blown
The love I could have known
Can't do this to you As we go
To this brave new world
Ain't no good to you
I'm your anti hero
As we go
To this brave new world
Can't do this to you I won't blame you
If you decide to run

After all I've done
There is no shame
If you've had enough
You decide if I'm the oneAs we go
To this brave new world
Ain't no good to you
I'm your anti hero
As we go
To this brave new world
Can't do this to youYou decide if I 'm the one
