If I Ever Fall In Love (feat. Jason Derulo)

Pentatonix

The very first time
That I saw your brown eyes
Your lips said hello
And I said hiI knew right then you were the one
But I was caught up
In physical attraction
But to my satisfaction
Baby you were more than just a phaseAnd if I ever (ever fall) in love again (Again)
I will be sure that the lady is a friend
And if I ever (ever fall) in love so true (True)
I will be sure that the lady's just like youI swear next time she'll be a friendIf I say that I can be your one and only
Promise that you'll never leave me lonely
I just wanna be the one you needI just wanna be the one who serves you
Sometime I feel as if I don't deserve you
I cherish every moment that we shareAnd if I ever (ever fall) in love again (Again)
I will be sure that the lady is a friend
And if I ever (ever fall) in love so true (True)
I will be sure that the lady's just like you(My friend)
Very next time she'll be my friend
Someone who I can believe in
(My friend)
Very next time she'll be my friend
Someone who I can believe in
(My friend)
Very next time she'll be my friend
Someone who I can believe in
Very next time she'll be my friendAnd if I ever (ever fall) in love again (Again)
I will be sure that the lady is a friend
And if I ever (ever fall) in love so true (True)
I will be sure that the lady's just like you
