

The KKK Took My Baby Away

Face to Face

She went away for the holidays
Said she's going to L.A.
But she never got there
She never got there, she never got there, they say
She went away for the holidays
Said she's going to L.A.
But she never got there
She never got there, she never got there, they say
The KKK took my baby away
They took her away, away from me
The KKK took my baby away
They took her away, away from me
Now I don't know where my baby can be
They took her away from me, they took her away from me
I don't know where my baby can be
They took from me, they took from me
Ring me, ring me, ring me up the President
And find out where my baby went
Ring me, ring me, ring me up the F.B.I.
And find out if baby's alive, yeah, yeah, yeah
Ooh, ooh, yeah, yeah, yeah
Ooh, ooh
She went away for holidays
She went away for holidays
The KKK took my baby away
The KKK took my baby away
They took my girl
They took my baby away
