

# Stop, Look, Listen (To Your Heart)

Marvin Gaye

You're alone all the time  
Does it ever puzzle you, have you asked why?  
You seem to fall in love, and out again  
Do you really ever love, or just pretend?  
Oh, baby Why fool yourself?  
Don't be afraid to help yourself  
It's never too late, too late to Stop, look, listen to your heart, hear what it's saying  
Stop, look, listen to your heart, hear what it's saying  
Love, oh love, love Though you try, you can't hide  
All the things you really feel, this time decide  
That you will open up, let it in  
There's no shame in sharing love you feel within So jump right in  
Head over heels and fall right in  
It's never too late, too late to Stop, look, listen to your heart, hear what it's saying  
Stop, look, listen to your heart, hear what it's saying  
Love, love, love Stop, look, listen to your heart, hear what it's saying  
(Listen to your heart, can't you see it's not too late?)  
Stop, look, listen to your heart, hear what it's saying  
Stop, look, listen to your heart, hear what it's saying  
(Listen to your heart, can't you see it's not too late?)
