

Platypus (I Hate You)

Green Day

Rise and fall, back up against the wall
What goes around is coming back and haunting you
It's time to quit 'cause you ain't worth the shit
Under my shoes or the piss on the ground No one loves you and you know it
Don't pretend that you enjoy it and you don't care
'Cause now I wouldn't lie or tell you all the things you want to hear
'Cuz I hate you 'cuz I hate you 'cuz I hate you 'cuz I hate you I heard your sick sucked on that cancer stick
A throbbing tumor and a radiation high
Shit out of luck and now your time is up
It brings me pleasure just to know your gonna to die No one loves you and you know it
Don't pretend that you enjoy it and you don't care
'Cause now I wouldn't lie or tell you all the things you want to hear
'Cuz I hate you, 'cuz I hate you, 'cuz I hate you, 'cuz I hate you Dickhead, fuckface
Cock-smoking, mother-fucking
Asshole, dirty twat
Waste of semen, I hope you die, hey Red eye, code blue I'd like to strangle you
And watch your eyes bulge right out of your skull
When you go down head first into the ground
I'll stand above you just to piss on your grave And no one loves you and you know it
Don't pretend that you enjoy it and you don't care
'Cause now I wouldn't lie or tell you all the things you want to hear
'Cuz I hate you, 'cuz I hate you, 'cuz I hate you, 'cuz I hate you
