

Fire

Ozzy Osbourne

I am the God of hell fire and I bring you
Fire, I'll take you to burn
Fire, I'll take you to learn
I'll see you burn You fought hard and you saved and learned
But all of it's gonna burn
And your mind, your tiny mind
You know you've really been so blind
Now's your time burn your mind
You're falling far too far behind Oh no, oh no, oh no, oh no
You're gonna burn Fire, to destroy all you've done
Fire, to end all you've become
I'll feel you burn You've been living like a little girl
In the middle of your little world
And your mind, your tiny mind
You know you've really been so blind
Now's your time burn your mind
You're falling far, too far behind Oh no, oh no, oh no Fire, I'll take you to burn
Fire, I'll take you to learn
You're going to burn You're going to burn
You're going to burn
You're going to burn, burn, burn Fire, I'll take you to burn
Fire, I'll take you to learn
Fire, to end all you've become
I'll watch you burn I am the God of hell fire
