

In Search for I

In Flames

It hurts to think
Can't get the sums together
Would you draw my bitterness
Make the pictures fade Could it be that I see
What's beneath when we fall
The truth in ever
I'm scared that I'll be Will time open my vault
New solution, I'm begging
Break the fuse that holds me back The I is lost in me
But I'm ready to give you
The m, it might even be the e
As I begin to search for I Distract, push me in another direction
This wall that I stare into
It's getting old
Give me faith to reach for the new
Pull me apart and do me all over
I'll need a re-make
To make up for my mistakes What if I stop to care?
What if I let you fall?
