

Too Young To Know (A Copycat Remix)

Moto Boy

In the light of your eyes
I am lost I am paralyzed
I ask myself but I am ill advised
Is it real or do I fantasize
at the end of your street
with a knife and a heartbeat
I am back where I belong
when I'm back in your arms I wanna close my eyelids
but all I see is your face
what does it matter if its sane for me
when all i want is your insanity
high on desire
oh I'm a silent fire
burning on my fingertips
I wanna die on your lips
Too young
to know
baby
we were too young to know to the light of your your eyes
I can never get close enough
don't wanna dream of what we used to be
cause baby you cant kiss a memory
tell me I shouldn't bother
its a game like the others
but I am lost and I'm confused
its not a game if its nothing to loose
Too young
to know
is it love
is it hurt
baby we will never know
we were too young
too young
too young
too young
too young
we were too young to know
we were too young to know
we were too young to know
