A Good Thing

Saint Etienne

Take a message, let me know
Put on her shoes before she goes
Hazel eyes and auburn hair
How could she tell it's all for nothing?Far away from what you want
Another night to spend alone
And now you really know
It's gone, it's gone, it's goneYou know it was a good thing, the best thing
Last thing you sure left behind
Out of nowhere, out there
Looking all the way backIt's a good thing, the best thing
Last thing you sure left behind
Out of nowhere, out there
It's gone, it's gone, it's gone, it's gone, it's goneA small cafe across the street
I heard you meet there every week
Got your favorite necklace on
How could you tell it's all for nothing?Pack your bags and move along
Before your feelings get too strong
'Cause I can tell you now
It's gone, it's gone, it's goneYou know it was a good thing, the best thing
Last thing you sure left behind
Out of nowhere, out there
Looking all the way backIt's a good thing, the best thing
Last thing you sure left behind
Out of nowhere, out there
It's gone, it's gone, it's gone, it's gone, it's goneHe looked away, pretending not to see her
She tried to say something, but nothing came out right
He's lost the best thing, one day it will hit him
One dayYou know it was a good thing, the best thing
Last thing you sure left behind
Out of nowhere, out there
Looking all the way backIt's a good thing, the best thing
Last thing you sure left behind
Out of nowhere, out there
It's gone, it's gone, it's gone, it's goneIt's a good thing, the best thing
Last thing you sure left behind
Out of nowhere, out there
Looking all the way backIt's a good thing, the best thing
Last thing you sure left behind
Out of nowhere, out there

It's gone, it's gone, it's gone, it's gone
