She Knows The Devil

Toto

She got fingernails like knives
She got twenty-four karat eyes
She wants everything she sees
She'll drop you to your knees
She ain't gonna change her wicked ways
I'll love her till my dying day
She got poison heart, painted smile
She always has a girlfriend
She knows the devil
She knows the devil
She knows the devil
And the devil knows me
She knows the devil
She knows the devil
She knows the devil
And the devil knows me
Whoa, whoa, whoa
Bad little girl with a vermin tongue
Ooh, she loves to have her fun
The daughter of Mephistopheles
She loves to aim and she aims to please
She'll take any young god and burn him down
He'll see who's the queen and who's the clown
She got lips that bleed, she's what I need
I want her for my girlfriend
She knows the devil
She knows the devil
She knows the devil
And the devil knows me
She knows the devil
She knows the devil
She knows the devil
And the devil knows me
Whoa, whoa, whoa
She wants everything she sees
She'll drop you to your knees
She ain't gonna change her wicked ways
I'll love her till my dying day
She got poison heart, painted smile

She always brings a girlfriend
She knows the devil
She knows the devil
She knows the devil
And the devil knows me
She knows the devil
She knows the devil
She knows the devil
And the devil knows me
Whoa, whoa, whoa
Whoa, whoa, whoa
She knows the devil
Whoa, whoa, whoa
She knows the devil
She knows
Whoa, whoa, whoa
Oh yes
Whoa, whoa, whoa
She knows the devil
Whoa, whoa, whoa
She knows the devil
Oh yeah
Whoa, whoa, whoa
[Incomprehensible]Yeah, yeah
[Incomprehensible]
