

# Children of the Night

## Vampires Everywhere!

We are the fools that fall in love(2x)  
Fall in love

Sleep with one eye open  
We will pretend it's love  
Breathing will only suffocate  
The human part of us  
So wish wish for apologies  
It will be in blood  
Suspended for the world to see  
Closer than the sun

Hold out your hand  
And let your heart break into pieces

We are the fight  
We are the cries  
We are children of the night  
We are fools that fall in love  
We are the fight  
We are the cries  
We are children of the night  
We are fools that fall in love

Speak with false perceptions  
Clouded from above  
Tattooed to your slow embrace  
Hidden in mistrust  
So wish wish for apologies  
It will be in blood  
Buried under empathy  
Closer than the sun

Hold out your hand  
And let your heart break into pieces

We are the fight  
We are the cries  
We are children of the night  
We are fool that fall in love

We are the fight  
We are the cries  
We are children of the night  
We are fools that fall in love

FALL IN LOVE  
FALL IN LOVE  
FALL IN LOVE  
FALL IN LOVE  
FALL... Hold out you hand  
Hold out your hand  
Hold out your hand

We are the fight  
We are the cries  
We are children of the night  
We are fools that fall in love  
We are the fight  
We are the cries  
We are the children of the night  
We are the fools that fall in love
