

Most of the Time

Bob Dylan

Most of the time
I'm clear focused all around
Most of the time
I can keep both feet on the ground
I can follow the path
I can read the signs
Stay right with it
When the road unwinds
I can handle whatever
I stumble upon
I don't even notice
She's gone
Most of the timeMost of the time
It's well understood
Most of the time
I wouldn't change it if I could
I can't make it all match up
I can hold my own
I can deal with the situation
Right down to the bone
I can survive,
And I can endure
And I don't even think
About her
Most of the timeMost of the time
My head is on straight
Most of the time
I'm strong enough not to hate
I don't build up illusion
'till it makes me sick
I ain't afraid of confusion
No matter how thick
I can smile in the face
Of mankind
Don't even remember
What her lips felt like on mine
Most of the timeMost of the time
She ain't even in my mind
I wouldn't know her if I saw her

She's that far behind
Most of the time
I can't even be sure
If she was ever with me
Or if I was ever with herMost of the time
I'm halfway content
Most of the time
I know exactly where it all went
I don't cheat on myself
I don't run and hide
Hide from the feelings
That are buried inside
I don't compromise
And I don't pretend
I don't even care
If I ever see her again
Most of the time
