

# Fistful Of Tears

Maxwell

Feel just like a weight has lifted  
How can I repay you, help me understand  
Currency a fistful of tears I can afford  
Fight of your life is not the cost  
Time will reveal, yeah  
All along you're the one who's losing Cause I, I go insane  
Crazy sometimes  
Tryin' to keep you from losing your mind  
Open your eyes  
See what's in front of your face  
Save me my fistful of tears You can make it disappear girl  
All you got to do is just raise up, face up, stay up  
All things will heal, we'll feel it with a kiss from the skies  
Don't' you let it go  
Don't' you let it go Cause I go insane  
Crazy sometimes  
Tryin' to keep you from losing your mind  
Open your eyes  
See what's in front of your face  
And save me my fistful of tears We goin' fight the war  
We goin' fight our fears  
The only thing I wanna throw is a fistful of tears  
We goin' fight the war  
We goin' fight our fears  
The only thing I gotta throw is a fistful of tears  
We goin' fight the war  
We goin' fight our fears  
The only thing I wanna throw is a fistful of tears Because I go insane  
Crazy sometimes  
Tryin' to keep you from losing your mind  
Open your eyes  
See what's in front of your face  
And save me, save me, save me  
I go insane  
Crazy sometimes  
Tryin' to keep you from losing your mind  
Open your eyes  
See what's in front of your face

Save me my fistful of tears
