Summer

War

Riding round town with all the windows down
Eight track playing all your favorite sounds
The rhythm of the bongos fill the park
The street musicians trying to get a start
'Cause it's summer, summer time is here
Yes, it's summer, my time of year
Yes, it's summer, my time of year
Stretched out on a blanket in the sand
Kids of all ages digging Disneyland
Rapping on the C B radio in your van
We'll give a big ten four to the truckin' man
'Cause it's summer, summer time is here
Yes, it's summer, my time of year
Yes, it's summer, my time of year
Young boys playin' stick ball in the street
Fire hydrants help to beat the heat
Old man feeding pigeons in the square
Nighttime finds young lovers walkin' there, oh yeah

'Cause it's summer, summer time is here
Yes, it's summer, my time of year
In Atlantic City or out in Malibu
Or anywhere between, I am telling you
When you feel those balmy breezes on your face
Summer time is the best time any place, oh yeah
'Cause it's summer, summer time is here
Yes, it's summer, my time of year
'Cause it's summer, oh yeah, summer time is here, yes it is
Yes, it's summer, my time of year
'Cause it's summer, summer time is here
Yes, it's summer, yes it is, my time of year
Oh, 'cause it's summer, summer time is here
Yes, it's summer
