

Rock and Roll Never Forgets

Bob Seger & The Silver Bullet Band

So you're a little bit older
And a lot less bolder than you used to be
So you used to shake 'em down
But now you stop and think about your dignity
So now sweet sixteen's turned thirty-one
You get to feelin' weary when the work day's done
Well all you got to do is get up and into your kicks
If you're in a fix
Come back baby, rock and roll never forgets
You better get yourself a partner
Go down to the concert or the local bar
Check the local newspapers
Chances are you won't have to go too far
Yeah, the rafters will be ringing 'cause the beat's so strong
The crowd will be swaying and singing along
And all you got to do is get in, into the mix
If you need a fix
Come back baby, rock and roll never forgets
Ooh, the band's still playing it loud and lean
Listen to the guitar player making it scream
All you got to do is just make that scene tonight
Hey, tonight, ooh
Well now sweet sixteen's turned thirty-one
Feel a little tired, feeling under the gun
Well all of Chuck's children are out there playing his licks
Get into your kicks
Come back baby, rock and roll never forgets
Said you can come back baby, rock and roll never forgets
Oh, come back baby, rock and roll never forgets
