

Nobody Loves Me Like You Do

Whitney Houston

Like a candle burning bright
Love is glowing in your eyes
 A flame to light our way
That burns brighter everyday
 But now I have you
Nobody loves me like you doLike a leaf upon the wind
 I could find no place to land
 I dreamed the hours away
 And wondered everyday
 Do dreams come true
And nobody loves me like you doWhat if I'd never met you
 Where would I be right now
 Funny how life just falls in place somehow
 You've touched my heart in places
 That I never even knew
'Cause nobody loves me like you doI was words without a tune
 I was a song still unsung
 A poem with no rhyme
 A dancer out of time
 But now there's you
Baby, nobody loves me like you doWhat if I'd never met you
 Where would I be right now
 Funny how life just falls in place somehow
 You've touched my heart in places
 That I never even knew
 Nobody loves me, nobody loves me
 Nobody loves me like you do
 Nobody loves me like you do
