Night Moves

Bob Seger

I was a little too tall, could've used a few pounds
Tight pants points hardly reknown
She was a black-haired beauty with big dark eyes
And points all her own sitting way up high
Way up firm and highOut past the cornfields where the woods got heavy
Out in the back seat of my '60 Chevy
Workin' on mysteries without any clues
Workin' on our night moves
Trying' to make some front page drive-in news
Workin' on our night moves
In the summertime
In the sweet summertimeWe weren't in love, oh no, far from it
We weren't searching for some pie in the sky summit
We were just young and restless and bored
Living by the sword
And we'd steal away every chance we could
To the backroom, the alley, the trusty woods
I used her she used me, but neither one cared
We were getting our shareWorkin' on our night moves
Trying to lose the awkward teenage blues
Workin' on out night moves
And it was summertime
Sweet summertime, summertimeAnd oh, the wonder
Felt the lightning
Yeah, and we waited on the thunder
Waited on the thunderI woke last night to the sound of thunder
How far-off, I sat and wondered
Started humming a song from 1962
Ain't it funny how the night moves?
When you just don't seem to have as much to lose
Strange how the night moves
With autumn closing inHmm, night moves
(Night moves) night moves
(Night moves) yeah
(Night moves) night moves
(Night moves) I remember the night moves
(Night moves) ain't it funny how you remember?
(Night moves) funny how you remember
(Night moves) I remember, I remember, I remember, I remember

(Night moves) oh
(Night moves) move away
(Night moves) we're gonna practice, love
(Night moves) night moves
(Night moves) oh, I remember
(Night moves) yeah, yeah, yeah, I remember
(Night moves) oh, I remember
(Night moves) god, I remember
(Night moves) lord, I rememberOh, woman, oh, yeah, yeah, uh-huh, I remember, I remember
