Without You

Rent

Without you
The ground thaws
The rain falls
The grass growsWithout you
The seeds root
The flowers bloom
The children playThe stars gleam
The poets dream
The eagles flyWithout you
The earth turns
The sun burns
But I die without youWithout you
The breeze warms
The girl smiles
The cloud movesWithout you
The tides change
The boys run
The oceans crashThe crowds roar
The days soar
The babies cryWithout you
The moon glows
The river flows
But I die without youThe world revives
(Colors renew)
But I know blue, only blue
Lonely blue
(Within me blue)
Without youWithout you
The hand gropes
The ear hears
The pulse beatsWithout you
The eyes gaze
The legs walks
The lungs breatheThe mind churns
(The mind churns)
The heart yearns
(The heart yearns)The tears dry without you
Life goes on but I'm gone
'Cause I die without youWithout you

Without you
Without you
