I Don't Feel The Same

Thomas Godoj

All of the lies are
Falling away
We're totally exposed
But you see what want
Believe what you see
This isn't love, this is a game
And I can't play it anymore
I guess all my tears
Finally washed awaySomething shattered
Died inside of me
And I don't feel
And I don't feel the same
Nothing matters
I want to desperately
But I don't feel
And I don't feel the sameI could go on bending the truth
But what's the point in that
What do you need to be satisfied
Do I have to scream to keep you high
Well I'm not screaming any more
I guess all my words
Finally wasted awaySomething shattered
Died inside of me
And I don't feel
And I don't feel the same
Nothing matters
I want to desperately
But I don't feel
And I don't feel the sameDid you think I'd be fine
That I would follow blind
Out of my head with love
Knowing I was nothing to you
What do you make of me
You thought that I'd make believe
You were wrongSomething shattered
Died inside of me
And I don't feel
And I don't feel the same
Nothing matters

I want to desperately
But I don't feel
And I don't feel the same
