

Love Is The Queen

Seed

We sing a song for all the bad minded people
Half of your heart might be ruled by the evil
Still you look for some love in some way
You are afraid, hear what we say Put the spot on our treasure
The love goddess, the queen of pleasure
Even odd is her measure
A heavy shock cold and hot
She is like the weather
Do not block, better rock Show what you adore
Take what you've got
Break on through the door
You cannot find more
Than what you look for
Her love shot, increases the score Love is unkind if you step outta line
She's a cold, she's a warm hearted mother-a-a
Love is divine if you enter right in time
You better check it next time Put the spot 'pon the queen
We want her, she's so hot
True love goes from one to another
Get, shot her arrow, choose
I to play inna drama
Six kids now call me father For every coin there's a slot
You miss it once, twice or more
Then you think you had your lot
Queen is known to be moody Try again till you got through to her
Then she'll say, "go on your way
Now that's all"
Well, at least you have been heard Love is unkind if you step outta line
She's a cold, she's a warm hearted mother-a-a
Love is divine if you enter right in time
You better check it next time You get hot
Another trophy that I'm taking home
You've had a lot
Can I ever please her majesty?
You pick a loss Had to feel it, yes, she let me know
It's not all that has a sparkle that is gold
Hotter than hot
Love is our treasure
We have a lot But we've got to pass it over

Don't interrupt
So come let's go and spread it out
And you'll see, we can please her over time Love is unkind if you step outta line
She's a cold, she's a warm hearted mother-a-a
Love is divine if you enter right in time
You better check it next time
