

The Mating Game

The Monochrome Set

Kiss, lick, stroke, flick
Quiver, quiver, shake and shiver, baby, wow
Unclasp, flop, gasp
Sopping, sopping, there's no stopping now
Blond, brunette, or redhead
Black, yellow or white
They're all the same
In the mating game
But I can't complain now
Squeeze, suck, pinch, pluck
Wobble, wobble, grab and gobble, darling, moan
Unzip, ooze, drip
Dippy, dippy, wet and slippery, groan
Blond, brunette, or redhead
Black, yellow or white
They kiss the same
In the mating game
But I can't complain now
Bend, peel, slap, squeal
Doggie, doggie, shudder, on your bended knees
Thrust, pump, spurt, slump
Ciggy, ciggy, puff, puff, cough and wheeze
Blond, brunette, or redhead
Black, yellow or white
They taste the same
In the mating game
But I can't complain now
