Back for me (Dizzy Deejays Rmx)

Candee Jay

When are you coming back for me?Monday morning waking up
in an empty bed
Thought I'd feel you next to me,
but I'm alone insteadDid I scare you, when I said
I needed you?
Or was it just a one night stand
and nothing real to you?When are you coming back for me?
'Cause no one else can be your girl
When are you coming back to see
it's a lonely world for me?
It's a lonely world for meWhen are you coming back for me?
'Cause no one else can be your girl
When are you coming back to see
it's a lonely world for me?It's a lonely world for meBoy I think that you should know by now
that I want to be with you somehowSaw you walking down the street
with somebody new
Why are you doing this to me?
What have I done to you?Did I scare you when I said
I needed you?
Or was it just a one night stand
and nothing real to you?
When are you coming back for me?
'Cause no one else can be your girl
When are you coming back to see
it's a lonely world for me?Boy I think that you should know by now
that I want to be with you somehowWhen are you coming back for me?
'Cause no one else can be your girl
When are you coming back to see
it's a lonely world for me?It's a lonely world for meHey Hey Hey HeyWhen are you coming back for me?
