

Gravity

Alex & Sierra

Something always brings me back to you
It never takes too long
No matter what I say or do I'll still feel you here
'Till the moment I'm gone You hold me without touch
You keep me without chains
I never wanted anything so much
Than to drown in your love and not feel your rain Set me free, leave me be
I don't want to fall another moment into your gravity
Here I am and I stand so tall
Just the way I'm supposed to be
But you're on to me and all over me I live here on my knees as I try to make you see
That you're everything I think I need here on the ground But you're neither friend nor foe though
I can't seem to let you go
The one thing that I still know is
That you're keeping me down Set me free, leave me be
I don't want to fall another moment into your gravity
Here I am as I stand so tall, just the way I'm supposed to be
But you're on to me and all over me Something always brings me back to you
It never takes too long
