Ghosts

Brother Hawk

I see your face when I ain't awake
and wake up wanting to call your name.
I hear your voice above the noise
that comes and goes with every day,
and I don't know how to forget you.
We haven't spoke in years, I know,
but I'm thinking of you every day.
I've had new love come and go,
but I loved 'em all a different way,
and I don't know how to forget you.
It's been so long I don't want to.
Just because you're gone don't mean
I don't wanna think about you.
