

Step Up (Prod. Phoniks)

Awon & Dephlow

[Music]

step step step St Ste up to get you

up

up up step

upep Ste up to get your rep step up to
get your rep up protect get your neck
cut not the typ to sweat much cuz lames
get their head bust the underdo here to
take trophies from you [__] don't got
a full deck because I'm blinded by the
riches rain shots like KD coming for
that mvp Had Drake and Kendrick watching
me cuz I'm coming for you [__] and
this ain't control Voodoo and my vers
I'm here to take Souls [__] and I
ain't got to say no names for no Fame
but I ain't the one to blame if my
[__] take your chain with all due
respect I'm talking to all you rappers
who got too comfy In The House of the
Masters we after the title in that Excel
cover easily rookies of the year we just
better than you Busters I ain't mad just
tired of being Overlook for not having
a0 weights so future on our

up up to get you

[Music]

up up to get I overid my dudes but never
gain favor they oversaturated the game
the same flavor not the imitation is
lame it's not flattery another
generation of rappers that got batteries
so everybody trying to be way is not an
athlete Facebook Fame is doing a
disservice ain't nobody trying to be

playing and work a first shift just to
earn enough on a check that ain't worth
[__] I want a Bugatti and Lambo but not
if I got to be S so if 9 five how you
survive the only other way to get it is
with ammo I've been overlooked too long
to underrate me I can't change none of
the things the wait M me ain't no way
and I'm letting the label rate me I
could have went straight to the league
from JV but I work too godamn hard to
stay
