

# Butterflies

## Dej Loaf

You left me time  
Oh, oh  
This from me to you  
Oh, oh  
Look I really think that you're hot  
Let me see what you got, (let me see it, let me see it)  
How could we make this make sense? (how? how?)  
Without looking really crazy  
(I ain't trying to look like no fool, you know)  
You got a family of your own  
And you know my situation  
I wouldn't say it if I ain't mean it, (Wouldn't say, wouldn't say)  
Baby, you're so beautiful to me, (you're so beautiful to me)  
And I wonder what it's like, (I wonder, I wonder)  
I want to take a risk and see  
And I think you feel the same  
How you be staring at me, (How you be staring at me)  
(I always catch you looking at me every time, I saw you)  
I make love to you all in my head  
Why does this feel like some love affair?  
I know what I want when I see it  
So I'm a go, but what I know so be it  
I ain't trynna cause no drama  
But I can't help how I feel Butterflies in my stomach  
Every time that I see you  
Oh, oh  
Oh, oh  
Every time that I see youMeet me in the lobby (Can you meet me downstairs in the lobby, I knock on your door)  
In your gym clothes  
So nobody knows  
I said can't nobody stop us (Can't nobody stop us)  
Not, I stand my ground ten toes, (Ten toes, I hold it down for you)  
The way you make me feel  
Do that thing with your nose, okay, (Why you keep doing that?)  
Baby, look I can show you better than  
I can tell you, I want you, I want you, want you  
And I'm a get you, naw  
I ain't trynna cause no drama

But I can't help how I feel
