

# We Found Love

## Palma Violets

Laughing all the way to the cell  
And I've been paid off  
Stood out into the sun cause I'm not done

I'm gonna find myself a lady friend  
And stick by her until the end  
La la la la la Layla  
I found love

I'm gonna find myself a lady friend  
And stick by her until the end  
La la la la la Layla  
I found love  
Oh no

You are my serpentine  
But I'll never look you in the eyes again  
You are my one divine  
But I'll never look you in the eyes again
